Reviews and Testimonials

I want to let you know that you guys are amazing! David and I decided your cd and music samples aren't an accurate reflection of your performance. They're good, but **your live performance far exceeded our hopes and expectations for the evening.** Thank you so much! Take care, and please feel free to contact us if you need a referral. We'll be more than happy to recommend you to any prospective clients. Please let the guys know they did an awesome job. Thanks again!

--**Jen Pauley and David Baker**, *Denver, CO*

You guys were fantastic and our feedback was all totally over the top. You all did an incredibly, awesome job and we couldn't be happier! **I've never worked with such low maintenance entertainment.** You came in, set it up and went to work. Can't tell you how much we appreciated it what with all the other little glitches we needed to tweak. You were first class from start to finish. Plan on working (*the Draft Magazine VIP lounge at the Great American Beerfest*) again next year. Again, thanks for everything. You were one of the highlights of the trip.

-- **Kat Hughes – Creative Management and Marketing; Oshkosh WI**

Thank you for playing at our wedding. The ceremony and reception music was terrific, and set the perfect tone for the event. **You guys were even better than we expected!** We look forward to hearing Penepain Music again. Have a great day!

We will definitely keep you in mind for future events! 11/05 : Once again, we loved the music! You guys are always great! We love having you and your band at this event. **I always hear great things from our guests and actually have people request to sit by the band!** Thanks again and we will talk to you soon!

--**Sonya Breakstone, Denver/Boulder BBB**, *Denver, CO*

Thank you so much for making the effort to be a special part of our wedding day. **Here it is 3 months since our wedding and we are still receiving compliments about our choice in music.** Your 6 piece Jazz band was exactly what we had in mind for our evening garden wedding. Your music complimented the theme of the day and left a romantic memory in our hearts. As a young couple with a love for classic tunes we didn't want the traditional DJ, we wanted a band that wouldn't offend the adults but would cater to a younger crowd. We watched our grandparents dance like it was their wedding day, and our friends enjoyed your renditions of Frank Sinatra, Bobby Caldwell, and Louis Armstrong. Thank you so much for listening to our vision of how we wanted our special day and creating a memory that will last forever. You really went the extra mile to make it special. Thank you again,

-- **Meg and Travis Estey**, *Colorado Springs, CO*

I just wanted to let you know how pleased we were with your quartet. **You were beyond what we had hoped for!** We received many compliments from the guests at our party regarding your performance and have also given your contact information to people who have inquired. **I would HIGHLY recommend your service and will surely call you again.** Thanks so much for helping to make our Holiday Party a great success.

-- **Jacque Forrest**, *Pikes Peak Behavioral Health Group, Colorado Springs, CO*

Your trio provided the perfect backdrop for our "Speakeasy" party. The **quality and variety of the music was well beyond our expectations** – who would have thought you could get such a great sound from two instruments and a vocalist! Thanks again.

--**Kristi Frazier, Post Modern Company**, *Denver, CO*

The music was the highlight of the evening and made the reception everything we hoped it would be. **I wish I could do it all over again just so we could hire you to play!!!!**

--**Jenn Warren**, *Steamboat Springs, CO*

Fantastic! **We received more compliments about the band than any other part of the wedding reception.** What a great change from the standard DJ. They added a special song at our request, and did

a wonderful job with it. These guys have a nice, tight sound. You won't be disappointed.--**Reg Jefferson, Denver, CO**

Jazz Band: Peneplain Jazz Project, Boulder, CO- A+++

I worked with the band leader and keyboard player Jerry Weiss. **They were outstanding, really the highlight of the whole evening.** We had Jerry play keyboard as well as an upright base, trumpet and drums for 2 hours, cocktails through dinner. They wore tuxedos and looked fantastic. I highly recommend them.--**From : [http://www.theknot.com/co\\_profileview.htm?profilename=kahafrika](http://www.theknot.com/co_profileview.htm?profilename=kahafrika)**

We hope you guys are all doing well. You were awesome at the wedding (Dec. 30th). **The music was even better than we expected** and we have received numerous compliments on our choice of music. We'll highly recommend you to anyone interested in having a band for any occasion. Thanks again for putting on a good time and I hope to hear from you soon.-- **Nathan and Kathleen Seward, Denver CO**

Thank you so much for playing at our wedding - the music was exactly what we wanted. Numerous people commented on how great the band was and how it was a **nice change from the standard wedding fare.** I still can't get over how many of our family and friends were dancing - it was a true testament of just how wonderful the music was. You truly helped make our wedding a memorable event for everyone who attended. Thanks again for everything! Please extend my appreciation to the rest of the band. It was such a pleasure to work with you - hopefully we will have another reason to hire Peneplain in the future. Until then, we'll try and get to one of your local gigs! **Sara Stanley - Denver Colorado**

Hi Jerry, Thank YOU! The music was an invaluable addition to the event. It blended pleasantly into the background encouraging gait and great conversation while you were playing. However, it was soberingly obvious when you had finished. **I don't think I've ever seen my husband more disappointed that a party had come to an end.** I'm sure we'll think of you for our next Colorado gathering. For now, we're enjoying being back in Bean Town. **Erin Peak / Marek Horak - Boston, MA**

People RAVED about the music! ... Now we know how to really do it up right!! My stepfather especially enjoyed talking with you all. He was happy to make a request and have you play it! **I didn't know exactly what to expect, but you surpassed it!** Folks wanted to know who you were and how we found you!!! I will pass your info along! And yes, we would love to do it again sometime!! -- **Lou Moeller - Boulder CO**

I wish you lived in Orlando! What a pleasure it has been working with you. If only all performers had your communication skills.-- **Kathy Wood, Metropolis Entertainment, Orlando FL**

Hey Jerry! We were going to send you a nice little note and also the tip when we managed to get a little more time ... You guys were absolutely wonderful! Thank you so so so so much for playing our first song in the exact same tempo and phrasing and timing - our dance was so easy since we didn't have to worry about that at all... I loved both of my first dances... So thank you again!! everyone ... loved you and wanted to know who you were. The feedback I heard from absolutely everyone was how fantastic you were and some of the more specific comments included: **impressed by the different instruments, loved the singer, loved the variety of music, so much fun to dance to, really great mix of tunes, really classy and jazzy and perfect, wow-where did you find your band**...that kind of thing. You guys were fabulous...We will recommend you to absolutely everyone we know who gets married next, especially if we get to enjoy you guys instead of running around being hosty :). --**Naomi and Adam , Denver**

I wanted to thank you so very much for playing at our event last night. The event was such a success and you and **your band really made it over-the-top-fabulous.** We had many compliments about you guys and many people asked how they could hire you for their events. The comment I heard over and over again was that you guys were really 'tight'...not being a music person, I've just learned that that's a good compliment.--**Tracy McKenna - Events Manager, Denver Museum of Nature and Science**

I could not be more happy with my decision ... The music was the finishing touch that added to the ambience of class and sophistication that my husband and I were striving to portray for our wedding. Jerry's professionalism made the music a detail that I could trust 100% in his hands. I am truly thankful for his attentiveness ... and service .... Thank you SO much for the beautiful music. It was more than I could have ever imagined. I know I am not the typical 23 year-old ... I think that guests of all ages were very pleased with the music being played and thoroughly enjoyed it whether they danced to it or were just sitting back and relaxing.

-- **Angela Gulino**, *Laramie WY*

Penepain's piano/bass duo provided a perfect, wonderful, low-key jazz background for our silent auction—people loved them. When the music is noticed while people are negotiating bids, jostling glasses and each other, you know something good is going on!

--**Mardy Wilson - ACLU Fundraising Coordinator**, *Denver, CO*

The music was perfect. Your group added just the right element of additional elegance to an already elegant venue. The tunes chosen and the professionalism of the playing were superb. We received many favorable comments from our guests about the music. And you can quote me on this! (ps--thanks for letting a few of us sing with the group!). Best Regards,

-- **Jim Landis**, *Denver*

Everyone had a wonderful time and the music was absolutely perfect. It was nice to see you guys having a great time. It was fun watching your group just enjoy a good time making music together whether anyone was listening or not. But nevertheless, people were listening and they really enjoyed it from all the positive feedback I've received.

**--Jeff Holwell - S.Metro Denver Chamber of Commerce, Centennial, CO**

A little late replying, but I wanted to say how much we enjoyed the trio. You provided a professional, talented and entertaining, but not overpowering addition to "our day after (the wedding ) brunch". The music was perfect and set the mood for our day of gathering and celebrating the marriage of our daughter. Thank you for making it so special. We would call you again and be happy to refer you.

**-- Lynne & Terry Law, Denver, CO**

Thank you so much for playing at our 2005 Holiday Party. The three piece jazz band was a great, intimate touch and seemed to fit with the mood at the University Club. The music was nice and the employees seemed to enjoy themselves very much. Thanks again.

**-- Tina Howell, PBS&J, Denver**

Thanks for making the night such a hit! Your band provided a wonderful ambience of relaxation and ease as well as creating such a friendly and upbeat environment for all of our guests. It seems like you all enjoy playing with one another, and have such a great vibe as you intermingle with your different instruments. You were great to work with as well, and each band member who I met was equally as pleasant. ... If we have need for a jazz band in the future I will be sure to call you up again ....!

**Elena Villarreal – Development Department, Save Our Youth, Denver CO**

Thank you Jerry and Group for the wonderful music for our daughter's outdoor wedding day! It was a perfect touch to a perfect day! Also you were great to work with, especially when we had some last minute changes in location you were still willing to accommodate our change in venue. I really appreciated that!

--**Julie Wilson – Denver, CO**

Thank you so much for coming out (to our wedding), we thought it was perfect. Even though there weren't many dancers we got a ton of compliments on how classy you guys were and it made our reception exactly what we hoped it would be. You are all very talented musicians and it was a pleasure to work with you. We left great feedback for you (on gigmasters.com ) and we hope it helps. Have a good one. Cheers.

--**Rob and Katie – Colorado Springs, CO**

Jerry Weiss and Penepain were easy to work with and the music was just what we wanted! The reception music was one item we could cross off the list and not worry about at all. People danced, and complimented us on the music afterwards. We were very happy with the whole arrangement!

--**Eliza Stoker – Denver, CO**

Penepain Music was the perfect choice for our wedding. We wanted to create an elegant, tasteful, yet fun evening for our guests and Jerry Weiss and his jazz ensemble were ideal. They were sensitive to mood of the evening and created a backdrop for our event that added depth and character. We were treated in a most professional way and would recommend their lovely music unconditionally.

--**Allison Schuchman - Denver, CO**

Hi Jerry! Jimmy and I just wanted to thank you and your band for such a wonderful night! We thought you guys did an amazing job at our wedding, and really helped to turn it into a classy evening. Thanks again!

--**Amanda and Jimmy Wall – Denver CO**

"With a great variety and blend of sounds, Penepain added the right touch of class and rhythmic elegance to our event." Thanks!

--**Julie Wassell – Town of Parker, Special Events Coordinator**

Hi Jerry, First of all, Andrew (the band leader) and the guys were fantastic. Andrew always got back to us promptly with answers to our questions; they were on time, very accommodating and friendly. Secondly and most importantly, their music was beautiful, authentic and exactly what we wanted. We really couldn't have been happier. If you guys were playing at a club in town, I'd drop by every Friday nite to have a listen. Thanks so much and we we'll surely use you again. All our best, Lauren, and Judith  
**-- Lauren Stephens**, Flipside Sound, Denver

Jerry, Thank you so very much for providing such a wonderful atmosphere for our daughters wedding reception! You truly did a wonderful job and was exactly what we were hoping for. We have already recommended you to someone and will continue to do so. And in the future we will definitely call upon you again if the opportunity avails itself. Again thank you so very much.  
**-- Sharon Cotner**, Highlands Ranch, Colorado

Hi Jerry-- It was great to meet you too, and we loved having you play at the wedding. The whole process was fraught with disaster possibilities, since we never met and I was going completely on trust from the music on your website and your emails. But you were all as professional, talented, and reliable as I could have hoped or expected. The music was wonderful--bride, father of the bride, guests--many people commented on what a great band we had. Even the musicians in the crowd were impressed. So thank you all for doing such a great job. We will certainly keep you in mind should we have need for a band again and we would be happy to recommend you!  
**Barb McKay** – Denver, CO

The trio was great and we got a lot of compliments on how nice it was to have live music at the cocktail hour and at dinner. They were set up and ready to play on time and they made the transition from the outdoor cocktail hour to the indoor reception very quickly. The trio played the music we requested and I never heard them play a song that didn't fit perfectly with the sound we wanted. Marlene and I would both unequivocally recommend you to our friends.  
**Jim Manley** – Denver Colorado

Thank you so much for providing such wonderful sounds for our wedding, it was exactly what we were hoping, and we enjoyed every minute. We would highly recommend your professional services to anyone!  
**Amy Bowman** – Aurora, Colorado

Hi Jerry, Thank you very much for the wonderful professionalism and talent that you provided for our wedding. You were so easy to work with and the process was seamless. **Teresa Stockebrand** – Denver Colorado

Hi Jerry: The guys were great! We received several compliments on the quality and selection of music as well as the fact that we had it. People felt that it really upped the quality of the event. Real nice and very professional guys as well. Thank you so much for coordinating it.  
**Stan Hennigh** – CAD-1, Thornton CO

Oh, we so enjoyed (the jazzy Christmas music you played for our holiday party)! It was absolutely perfect! Thank YOU! I will definitely keep you in mind for future events.  
**Andrea Munoz**, Marketing Manager, CAD-1 – Denver

**Carolyn Raney**, Denver CO

"We hired Penepplain Jazz Project to play at our wedding ceremony & reception and were extremely pleased. Jerry Weiss was great to work with - he clearly communicated with us from start to finish and he was on top of everything! The music was top notch and turned exactly as we had hoped. I had several people both the night of the party and the day after ask about the group and where I found them. Everyone really enjoyed the music! Thanks Jerry, I will definitely call for the next event. Thank you also for donating part of the fee to the Leukemia and Lymphoma Society. - **Susan Bradley**, Parker CO

Thanks again for making our wedding such a special event. From the beginning to the end you were wonderful to work with, and the music you guys played was just beautiful. We got more compliments on our choice of band than on any other part of the wedding, and we are so very pleased to have found you. We will tell anyone who will listen just how fabulous the Penepplain Jazz Project is, and we hope to catch one of your shows sometime in the near future! Take good care,  
**Amy and Alejandro Siemel** - Boulder CO

Thank YOU, Jerry! The music was perfect, and there were so many compliments regarding it. I could not be more pleased! **Danielle Clark (Vorthman)** - Boulder CO

I really enjoyed your music, both for the ceremony and afterwards for the reception and dancing. It was perfect, I thought, and just added to the class of the whole event in that setting. Thank you so much for the perfect touch! **Mother of the bride - Colleen Clark**

You all were amazing at our wedding reception! Bob Harris was wonderful as a singer and the entire group is obviously a collection of truly talented musicians. My family is in the music business and all were extremely impressed. In fact, I thought more people would simply sit a listen to a fine jazz concert. Imagine my surprise when I found them all dancing! You are tops on my list and if I ever need a classy band for an event, I will be calling you!! - **Janelle Albertson Asmus - Denver**

You all were amazing and had many compliments from our customers. Thank you so much for your professionalism! You really made our party a success! **Joanna Stearns, Customer Experience Manager Banana Republic - Cherry Creek**

Jerry, THANK YOU so much for the wonderful entertainment you provided at our party on Saturday. I am still getting comments from people about how great you all were! - **Andi Chisel, UC Denver**

Thank you Jerry. It was perfect - really it was. The committee chair (Bob Chapman) and Business Director both commented on their complete satisfaction with the music. I hope you enjoyed yourself too - quite an event! And thank you for playing longer than 7pm. Your flexibility was greatly appreciated. I left feedback on Gigmasters for you. We will always keep you in mind. Regard, **Kendra Ward - St. John's Catholic School, Longmont CO**

Thanks Jerry, Your music was amazing. It really made the evening. - **Theodore Cowan - Salt Lake City**

The music was absolutely perfect, and you all were so gracious, flexible, and professional to work with. I only wish that we had a video or audio recording of the whole event, because I couldn't stop and appreciate how wonderful your performance really was. I suppose that's how weddings are, but we will definitely have to come and see you and Crystal perform again. - **Brian Rauscher - Alamosa, CO**

Thank you so much for playing at our wedding last Sunday! We could not have been happier (both with the performance and in general)! The group you pieced together had EXACTLY the sound and vibe we were looking for to complement our Big Day.... In addition, we are also thankful for your flexibility in structuring the ensemble and the pricing to our needs. We were able to get EXACTLY what we were hoping for....Above all else, we would like to recognize your outstanding professionalism. Not only did Penepain Jazz bring the highest quality musicianship, but we really felt like you and your group went the extra mile for us to ensure that our wedding was just as we had dreamed. ...All of the guests I have spoken to since the wedding have had nothing but the highest compliments for you and the band. ... I would just like to say thank you, once again. Your group is truly great at what it does and has contributed to a wonderful wedding experience. Take care! Sincerely, **Chris Mitchell - Denver**

Thank you again for the wonderful job you & your trio did at Amy & Mike's Reception: just what we hoped for, & we were rewarded without really auditioning the group - just listening to a couple selections online. We hoped for the best, & we got it! - **Dick Tumpes (Father of the bride) – Boulder**

(It was) Great to have you – still receiving compliments. Thanks so much! Penepain Jazz was the perfect addition to our corporate event. The band knew exactly how to read the audience and noise levels and knew exactly how to adjust appropriately – never too loud, never too soft, and always excellent to listen to. Everyone loved the band and we're still receiving compliments a week later. Jerry and the band was extremely easy to coordinate with and I'd highly recommend them for any event. - **Heather Thill, DLR Group, Denver**

I thought you and your group were fabulous! Just what i was hoping for. You were so nice to work with and accomodating. I will certainly be referring others to you. Other guests thought you sounded great and weren't over bearing in sound. Thank you again for everything and for working with Judi (vocalist and friend of the Bride). My Best to you...and hopefully we will see you again at another function! - **Lia Wasinger, Denver.**

The three gentlemen of the Penepain Jazz Trio outdid themselves. They looked and sounded great. Very professional, pleasant, and talented. They made the first three hours of our Open House very special. It was a big hit. Thanks again. We were very happy. **Blessings, Lisa Thompson, Loveland Colorado.**

We were happy to have you! Thank you very much for being so accomodating to our client's needs. Our client and Dish employees enjoyed your performance very much and it was truly a highlight to their day. Thanks again! **mary lou burkhardt, the michael alan group, NY, NY**

Hi Jerry, I just want to thanks you so much for coming and playing at our event this year you all did an awesome job we had people come up to me and said they really liked the music, thanks again for coming we will look you up next year, have a great day. **Annette Housley, Event Coordinator, City and County of Denver**

Thank you soo much!! the event was FANTASTIC, EVERYONE LOVED THE MUSIC!! I will use and refer you guys at ever opportunity! ...Take Care! **Sonja Wood Nextage Realty, Greenwood Village, CO**

Penepain was great! They played our cocktail-style wedding reception in a very challenging venue. They were amazing - the band kept the energy up all evening, and had way more people that I expected on the dance floor for a non-DJ, mellow event. Penepain worked with us to include several special songs, including a few polkas (I assume that's not in their normal repertoire! haha). I have no problem recommending Penepain Jazz to anyone planning an event that needs the special touch of great live music. <http://www.weddingwire.com/reviews/penepain-jazz-breckenridge/a7a542488ba905e5.html>

We wanted to thank you for doing such an amazing job of capturing what we were hoping for. We wish we could have spent more time at cocktail hour to hear you play more! We got a lot of compliments on you guys and we could not be happier. Thank you so much, **Dan and Megan – Denver**

Just wanted to say thank you for a fantastic job at Lauren and Jason's wedding. You were a pleasure to worki with and the music was just fabulous. Thanks. **Gina M, Organically You Events, Boulder**

Hi Jerry, We had a great time and thought you guys skillfully played everything as we wished!  
Thanks for really nailing it! **Lauren & Jason (Bride and Groom) – Denver**

As the Groom I didn't get to enjoy the band as much as I wanted since I had to do photos and such, but all the guests raved about Penepain. They so did a couple special versions of the traditional wedding songs which was super cool. Very pleased and will be hiring again for a fall party we will throw.

**Aarron N – Denver**

Thank you, Jerry! The music was fantastic. We will definitely be contacting you next year.

Cheers and Happy Holidays.

**Kara – Administrative Manager, Golden**

Penepain Jazz recently played a "Speakeasy Party" for Leukemia and Lymphoma Society fundraiser. I could go on and on about how talented they were. I could write this whole review on how knowledgeable of music all of them were. I could even talk about how wonderfully professional they were until you would probably shut down your computer. But the thing that sets Penepain Jazz apart from the rest is their character. This four piece band were fun, friendly, and just amazing people. They went out of their way to make sure everyone was having a good time. I will definitely have Penepain Jazz play multiple events in the future. THANKS!

**Austin S - Denver CO**

We can't emphasize enough how fantastic Penepain Jazz was at our wedding this July in Boulder, CO. We had all but given up on being able to afford live music, but then Penepain came along! Jerry is amazingly thorough and organized, and pulled together a fantastic group of musicians to play the mix of swing, jazzy standards, and even a little bit of 60's pop (which we especially appreciated, as it is a little outside their preferred repertoire).

Jerry knew the layout of our venue from past performances, and he and his group arrived with more than enough time to set up, even coming in an hour earlier at the last minute request of our caterer during the week leading up to the wedding.

There is a wonderful song list to choose from, and Jerry was extremely helpful in offering advice on which instrumentations might best fit our requests. We also had Crystal Collins as a singer, and she brought down the house! I can't tell you how many compliments we received on the quality of the music from both young and old guests, and we were so pleased that everyone felt so included and compelled to dance.

**This was one of the two the best vendor decision we made during the wedding process,** and would hire them again in a heartbeat.

**Julia and Jon - Boulder**

... thank you so much, Jerry! You guys sounded incredible and the music selection was exactly what we were looking for! We had many guests comment how much they loved the music. Thanks for the list of websites for reviews and we will definitely include you in the reviews we will be writing. **I hope 5 out of 5 stars will work for you!** :-) Thanks again for helping us make the night so memorable...Thanks!!!!

**Patrick H - Denver**

...we were so incredibly pleased with the music you provided and received so many compliments about it!!! I am just getting around to writing thanks and reviews and I will surely talk you up on the sites you recommended!! Thank you for making our day so special!!!! Couldn't have dreamed up a better night.

**JennaN - Denver**

What a terrific experience! It was my first time ... hiring a band, and I could not have picked a better group to work with. Penepain Jazz was everything our event needed at our evening reception at the Hyatt Regency (light jazz in the background, never too loud and people even clapped several times!). Jerry showed up right on time and was very professional and easy to work with. My only regret is that since my group is from DC, we won't be able to work with them again soon! If you are in between bands you've found ... look no more and go with Penepain Jazz!

Penepain Jazz were fantastic! The music they played was exactly what I had in mind for my (*real-estate open house*) event. Our guests are still raving about them, so naturally I referred them to your contact info and gigmasters.com Again, thank you for helping me with booking your band, and for having them play at my event. The next time I host an event where I need live music, I will definitely contact you again. **Noelle M - Denver**

We are so very grateful to you for your amazing gifts you shared with us! You all were **everything we ever wanted and more for our wedding**. So many people told us that you were wonderful and the music was perfect!! They were thrilled to hear excellent live jazz music. Thank you so, so much again!! I can't express fully to you how thoroughly you fulfilled our dreams! Much joy,

Hi Jerry, Thank you so much for doing our event! Everyone loved the band! Multiple people came up during the night to ask me about the band. They loved the sound and the musicians were extremely talented! Thank you very much for a wonderful evening! **BrittanyM - Jones Lang LaSalle Denver**

Hi Jerry, Just wanted to thank you again for the great music April 2nd. We had many compliments on your music. Thanks for helping to make a memorable evening. **CindyJ - Mother of the Bride, Denver**

Hi Jerry – you guys did a great job! I haven't heard anything but positive comments on the entire night. Everyone loved your music! **KristinK - Castle Pines Library**

Penepain Jazz was just wonderful and would highly recommend them if you are looking for a classy reception! Adding a touch of live music makes such a difference. Coming from NYC, I have heard a lot of jazz at some of the top places and Penepain was top notch! Jerry was great to work with and he delivered exactly what was promised. This was one of the highlights from the evening and so happy we chose Penepain to play! Thanks again!!! **Nicole S - New York, New York**
